)
Respondent.)

The undersigned attorney for the North Carolina Medical Board ("Board") respectfully requests a continuance of the hearing in this matter scheduled for the December 9, 2021 hearing session.

In support of this motion, the undersigned Board attorney states the following:

1. On July 6, 2021, the Board issued the Notice of Charges and Notice of Hearing. The hearing on the matters contained in the Notice of Charges was scheduled for October 14, 2021. On September 27, 2021, the hearing was continued until December 9, 2021, due to time restraints and the Board continuing to investigate and receive additional information regarding Respondent.
2. The Board attorney and Respondent's counsel are discussing a resolution of this matter.
3. The parties have been unable to agree to a Pre-Hearing Stipulation. As a result, the Board requires additional time to obtain and prepare additional witnesses for the hearing.

4. Counsel for Respondent does not oppose this continuance.

For the foregoing reasons, the undersigned requests a continuance of the hearing in this matter to the February 17, 2022 hearing session.

Respectfully submitted, this the 1st day of December, 2021.
